

Anti-Graffiti Program

Mayor's Gang Prevention Task Force
Policy Team
December 14, 2007

Purpose

- Further beautify San José by preventing and removing graffiti through community involvement, eradication, and enforcement.
- The program addresses all issues related to graffiti vandalism: from prevention, to intervention, to suppression.

Why do people do graffiti?

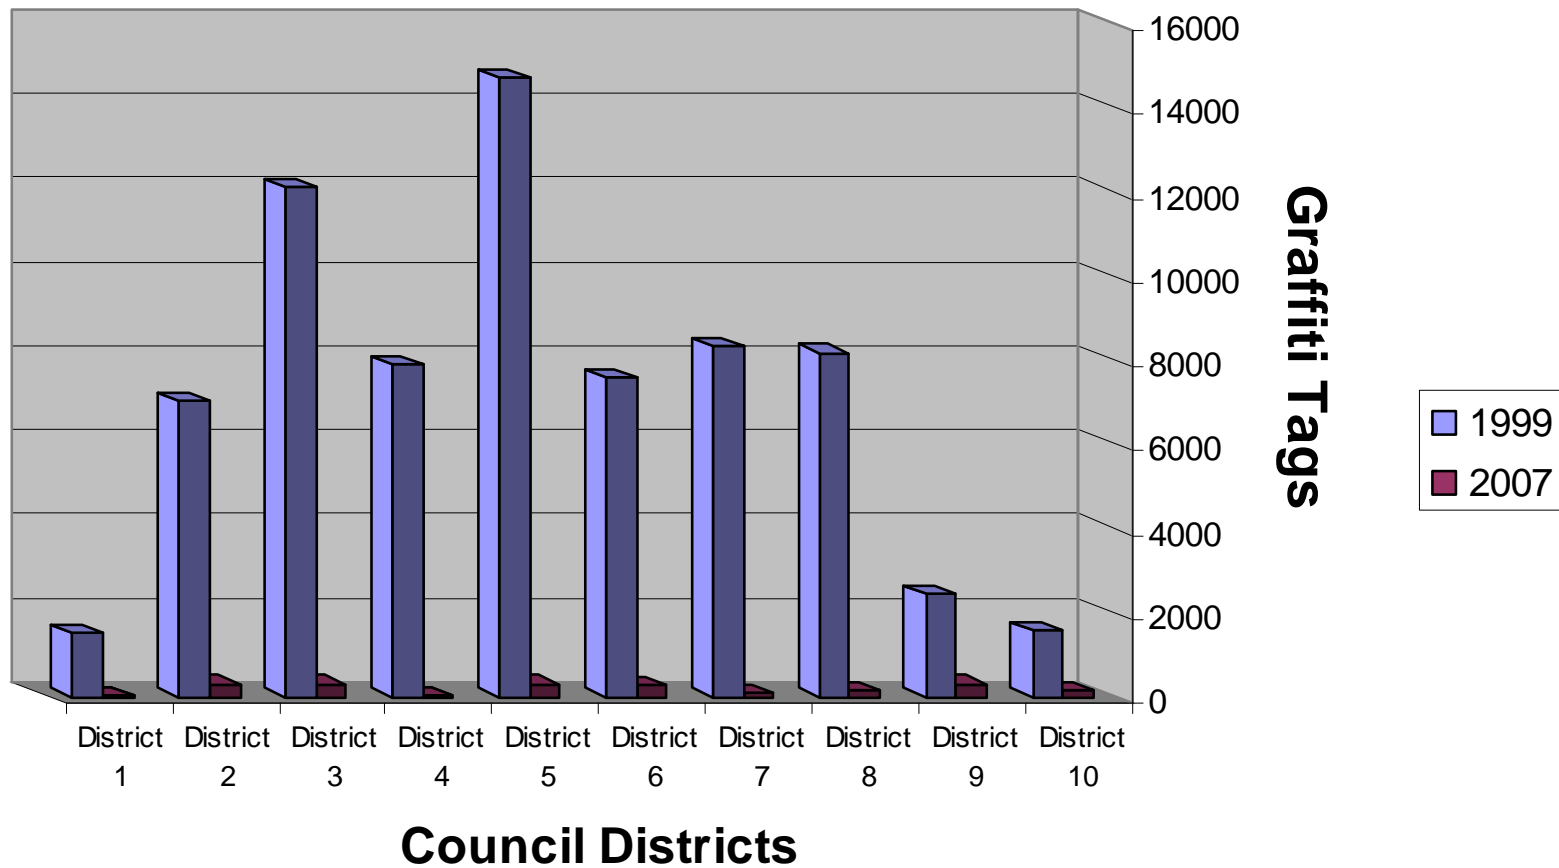

- Many people who do graffiti are seeking fame or recognition.
- Some just want to destroy property.
- Others are marking their territory to let people know who lives in that neighborhood.
